**35 Starters**

Mark Godale, fresh (?) off of a Badwater finish, became the first person to break the 4 hour mark at the BT50K. Ron Ross bettered his own Male Master's record set last year and newcomer MJ Gross set both the Female and Female Master's records.

Congratulations to first-time ultra finishers

Matt Pazderak, Dawn Sobocinski , Rick Henderson and Gerri Kornblut.

The recent invasions of gypsy moths into the northeast Ohio area and the recent heat wave resulted in this year's course being a bit hotter and sunnier than normal.

Thanks to [Montrail](#) who generously donated 2 pairs of shoes as an award (won in a raffle of finishers by Tanya Cady and Tim Clement).

Joe Jurczyk, RD
